To

The General Secretary to the,
Government of Mysore.

Sir,

Adverting to your No. 13490 / L.F.No. 137-94 dated the 5th March 1895, asking for an expression of my views regarding the Deputy Commissioner's proposals to widen and straighten the lane in front of the newly constructed Mosque in the Channapatna Fort, I have the honor to state that, I see no objection to the proposal being adopted in case the Mohomedan Community agree to the removal of the Hindustani School building which is now situated within the Mosque Compound. The widening and straightening of the lane as proposed by the Deputy Commissioner, will in no way affect the interests of the other Communities, but on the other hand, it will add to the appearance of the Mosque.

2

2. I would however suggest that in carrying out this measure, the Deputy Commissioner, be particularly asked to see that a substantial wall is built on the Southern side of the Mosque compound so as to separate the Mosque from the main road, and that no entrance of any kind to the Mosque is opened in that wall, the entrance-gate being placed on the East, so as to face the lane in question, as laid down in Para 2 of the Government Proceedings No. 914 Mus: F 58-92 dated 6th June 1893.

3. During my last inspection, which was a few months ago, I found only a low mud wall separating the Mosque from the main road on the South. The construction of this wall, had been commenced sometime previous to my visit, but subsequently abandoned in an incomplete state. I have therefore thought it proper to bring the matter to the special notice of Government.

4. The enclosures to the Docket under reply, are herewith returned.

Pshtion of the Muhammadan inhabitants of Chennakalanthurai

The petitioners suggest certain improvements to the Jumma Musjid and request permission to carry them out at their own cost, namely the erection of a Compound wall around the musjid and the location of the Hindustani School in the above Compound. and the widening of the road behind the musjid. They also request for permission to have a gate in the Compound to allow Children to enter the School.

They Complain that one Pathumuthu is building a wall across the Musjid road which obstructs the passage to and from the musjid The musjid is not therefore lighted for the last 5 or 6 days and the Navas (prayers) is not held. Request therefore that he may be prevented from building the wall

the undersigned has inspected the spot. The parties concerned are too poor to undertake the work and the person who built the masjid declines to carry it out. The payment of the compensation of Rs 100/- has therefore to precede the execution of the improvements ordered in the above. But there is no provision in the Municipal Budget of the current year under Public works Department from which the charge can be met.

Sanction is therefore solicited to the appropriation of Rs 100/- being made from General Savings.
